

# Paul Gastineau

Leadership Facilitator, Retired Utility Executive

Paul is the retired Vice President of Regulatory Relations for CenterPoint Energy, a Fortune 500 company that delivers electricity and natural gas to more than 5 million customers.

He worked for CenterPoint and its predecessor companies for more than 40 years. In his final position as Vice President of Regulatory Relations, he was responsible for developing the prices charged for services in seven different jurisdictions and for the relationships with the regulators that approved those prices.

He has an engineering degree from Oklahoma State University and a Master of Business Administration from the University of Houston.

Paul and his wife, Debbie, have been married since 1977. They have 2 adult sons and 4 granddaughters. He enjoys golf and facilitating seminars on leadership and financial management.
