

Artem Kliuchnikov

Director of Analytical Center for
Leadership Research and Development

Artem is a co-founder and the director of Analytical Center for Leadership Research and Development, a think-tank based in Kiev, Ukraine. ACLRD focuses on leadership training, consulting, and research in Eastern European countries and beyond.

Artem obtained his PhD in organizational leadership from Regent University. From the beginning of his working career, he has been involved in multinational teams, first as a team member then eventually as a team/organization leader. As a result, he has developed both expertise and strong interest in cross-cultural leadership issues. He has taught courses in Global Leadership PhD program at Indiana Tech University and has presented at conferences in Ukraine, Russia, and the USA. His teaching experience includes trips to Kenya and Russia.

He is married and has three children. His interests include cycling, swimming, reading, hiking, and travel.
