

Brent Long

Leadership Lecturer, Business Director

Brent has retired from Plaskolite LLC where he was the Business Director of Bath & Spa. This division produces acrylic sheeting for Bath and Spa manufacturers worldwide to use in shower pans, bathtubs, hot tubs, and swim spas.

He had 37 years of business experience with both private equity and public companies. His career has been quite diverse with educational training in Accounting but with positions covering Finance, Manufacturing, IT, and Commercial. He has worked in several US locations and, in 1999, worked in Brussels, Belgium.

Brent had been Vice President of Finance & IT for Lucite International in the Americas (a division of Mitsubishi Chemical Corporation) for 14 years before becoming the Business Director of Integrated Downstream Operations in 2014. In 2018, Mitsubishi divested the US Downstream businesses, and Brent moved with the Bath & Spa business to Plaskolite.

He earned his bachelor's degree in Business Administration and Accounting from Cedarville University in Cedarville, Ohio.

Brent is married and has two daughters who have completed their university studies and are pursuing graduate work in the medical field. He enjoys health & fitness, tennis, and hiking.
