

Ryan Hoverman

IT Executive

Ryan is the head of IT Asset Management for Gap, Inc. In his 18+ year career, he has held IT positions with Procter & Gamble and Gap, Inc. across several cross-functional areas. Those have included HR, Customer Analytics, IT Procurement, Technology Infrastructure, and Technology Operations. He has extensive experience leading global organizations to deliver outstanding results and building organizational capability.

Ryan earned his bachelor's degree in Management Information Systems from The Ohio State University in Columbus, Ohio. He also holds a Master in Business Administration (MBA) from the Kellogg School of Management at Northwestern University in Evanston, Illinois. He is also a certified Project Management Professional (PMP).

Ryan is married to Emily and has one son. He plays trumpet in a regional symphony orchestra, and his interests include music, travel, and outdoor excursions in California. He also serves as a member of the board of trustees for his son's school.
