

Sam Vadakekut

Strategic Wealth Advisor/Entrepreneur

Sam is an accomplished entrepreneur and founder of Optimal Wealth Strategy Group, a U.S.-based firm dedicated to providing unparalleled strategic guidance in asset protection, tax advantages, retirement planning, and legacy management. He has more than two decades of seasoned expertise in strategic wealth advisory and a successful track record of launching ventures in healthcare, sports, and real estate property development.

In recent years, Sam has focused on assisting high-income earners and businesses to employ sophisticated strategic tools for financial optimization. Beyond the financial realm, his active mentoring of start-ups and aspiring entrepreneurs underscores a multifaceted role that significantly contributes to individual and business growth.

He is married and has three children. Sports, mentoring, non-profits, and travel are some of his extra activities and passions.
